

THE SIMON ESTES EDUCATIONAL FOUNDATION, INC.
2010 SCHOLARSHIP APPLICATION

□ **THE FOUNDATION**

Led by Jayne L. Reed, a small group of Tulsans met with opera star Simon Estes who was in town to perform with the Tulsa Opera. Bound by a mutual belief in the importance of education and concern for the many bright high school seniors financially unable to attend college, the group decided to do what they could to assist these promising young students. As a result, in 1983 The Simon Estes Educational Foundation, Inc. was created with Mr. Estes and Ms. Reed as Cofounders.

In the last twenty-six years, the Foundation has raised over three million dollars in actual grants and future commitments for scholarships. The Foundation has assisted over 317 scholars who have attended prestigious colleges and universities throughout this country and have participated in international study programs abroad. All graduates have taken their places in the professional world and serve as the greatest endorsement of the Foundation.

Our Mission continues to be a multiracial, nonprofit Oklahoma organization, committed to promoting higher educational opportunities for Tulsa area high school seniors by providing scholarships made possible through charitable contributions. Moreover, The Simon Estes Educational Foundation not only provides funding, but it seeks to foster relationships with its students by providing mentoring opportunities throughout their college experience. While special consideration is given to African American, Asian/Pacific Islander, Hispanic, and Native American students, all applicants exhibiting scholastic excellence, financial need, and high moral standards are considered regardless of race, religion, sex, or ethnic origin. For more information on the history of The Simon Estes Educational Foundation and its students, visit our web site at www.seef.org

□ **THE SCHOLARSHIP**

The Simon Estes Educational Foundation Scholarship offers a \$2,500 scholarship to graduating high school seniors planning to attend college in the fall term. This award may be renewed annually up to four years based on available funding and renewal amounts may vary. The funds can be applied to tuition, books, fees or university room and board. Applicants must be a U.S. resident or in the process of applying for U.S. residency. Students in the U.S. on a Student Visa are ineligible. Scholarship funding can be applied to any public or private 4-year university or college, Tulsa Community College and the Jayne Reed Nursing Scholarship at Tulsa Technology Center.

To renew a scholarship, students must submit a formal letter of request by April 1st, maintain 3.0 grade point average, be enrolled full-time and provide an official college transcript each semester. Additionally, students must write their Simon Estes sponsor twice per year, attend Foundation functions as requested and complete 4 hours of volunteer service with the foundation. Awards are limited and deadlines are strongly enforced.

Applications are available at The Simon Estes Educational Foundation website at www.seef.org and a copy of the application can be found in the guidance counselor's office of most Tulsa area high schools.

SELECTION: All applications are reviewed by a special selection committee and top candidates will be contacted for a personal interview with the Board of Directors. Those students selected as Simon Estes Scholars will receive official notification by mail.

QUALIFICATIONS: Applicants are carefully reviewed on the basis of a combination of several criteria:

- Documented financial need
